Introduction of Environmental Science as Subject for Teaching

1141. SHRI DEBABRATA BISWAS: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that there is a proposal to introduce Environmental Science as a subject for teaching at the School, College and University level; and

(b) if so, the details thereof and by when the proposal is likely to be implemented?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (DR. MURLI MANOHAR JOSHI): (a) and (b) Environmental Education is one of the core elements of the National curriculum framework of the National Policy on Education, 1986 (updated in 1992). Environmental concepts are integrated at appropriate places in the curriculum of school subjects in different stages of school education.

The University Grants Commission has introduced Environmental Science as one of the subjects under the scheme of Vocational Courses in the areas of Environment and Water Management Science at First Degree level in the Universities and Colleges. The UGC has assisted 11 Colleges so far. As a follow-up action on the Supreme Court Judgment in November, 1991, the UGC is providing financial assistance to selected Universities/Colleges for introduction of an optional special paper in Environmental Science at Post-graduate level under the Schemes of courses in Emerging Areas. The scheme of Environmental Science will continue during 9th Plan also. So far, the UGC has provided financial assistance to 70 Universities, including Colleges for implementing the Environmental Science Programme.
